Old-Fashioned Quilting Bee.

At a recent meeting of the Dorothea Henry Chapter, Daughters of the American Revolution, it was decided to host the old fashioned cullting party during the first week in November, the date to be decided later. Committees were appointed to make the necessary arrangements for one of the most unique entertainments in the history of the city.

The squares for the quilt are now ready. They are red, white and blue, the national colors, enclosed in a red, white and blue border. The squares are in the shape of stars. The quilt is to be made on an old fashioned frame. The ladies will, of course, do the quilting, while the services of the gentlemen will be utilized to thread their needles. A prize will be offered to the gentleman who esceeds in threading the greatest number of needles during the evening. The ladies will enliven the evening with the old time songs, and it is also said that some of the gentlemen who will be present will essay to sing. Old-Fashioned Quilting Bee
